

OPEN CALL FOR PROPOSALS

The Self Government of City of Szolnok announces a call for proposals – for the burden of EEA/ Norwegian Financial Mechanism – for the “Environment-conscious education and the pedagogy of sustainability” projects to be realised in the Territory of Jasz-Nagykun Szolnok County.

Eligible applicants:

Sub-measure 1: Individual teachers and other employees professionally concerned with environmental protection issues.

Sub-measures 2 and 3:

- Educational and training institutions, irrespective of their legal status;
- Non-governmental organisations (NGO), as defined in the NGO Grants guideline, including e.g. foundations, associations charities, societies, trusts, etc.

There are no restrictions on the number of applications an applicant can submit.

However the same applicant can be awarded a maximum of two sub-projects. The Fund shall support only sub-projects which will be realised in the Territory of Jasz-Nagykun Szolnok County.

Eligible operations

The Fund supports sub-projects in the field of environment-conscious education and the pedagogy of sustainability. It consists of three sub-measures:

1. Training of teachers and employees: This sub-measure supports the training of teachers and other employees professionally concerned with environmental protection issues in environment conscious education and the pedagogy of sustainability.

2. Environmental protection

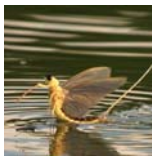

This sub-measure supports the following four activities:

- Promotion of biodiversity; e.g. restoration and restructuring of habitats; establishment of safe nesting places; etc.
- Promotion of cycling; e.g. development of bicycle routes; organisation and implementation of bicycle tours etc.
- Non-formal environment-conscious education and awareness-raising for youth; e.g. compilation, implementation and development of programmes of forest schools and environmental protection camps; etc.
- General environmental awareness-raising activities; e.g. photography competitions, development of internet sites for environmental protection purposes; organisation and implementation of nature walks; organisation and implementation of actions promoting sustainable lifestyle; etc.

3. International mobility and exchange in the field of environmental protection

This sub-measure will support international mobility and exchange activities related to partnership and cooperation in the field of environmental protection of eligible

Total amount available for the open calls:

The indicative allocation of funds per sub-measure is as follows:

Sub-measure 1 – Training of teachers and employees	483,000 Euro
Sub-measure 2 – Environmental protection	1,332,000 Euro
Sub-measure 3 – International mobility and exchange in the field of environmental protection	300,000 Euro
TOTAL:	2,115,000 Euro

Co-financing requirements:

Grants from the Fund will not exceed the below rates of total eligible sub-project costs:

Sub-measure 1:

- 100 percent for training of individuals.

Sub-measures 2 and 3:

- 90 percent for non-governmental organizations;

- 85 percent for public institutions;

- 60 percent for other applicants;

The remaining costs of the sub-project shall be provided or obtained by the end recipient.

Minimum and maximum grant amount per sub project:

Sub-measure 1:

The minimum grant amount per sub-project is 2,000 EUR, the maximum grant amount is 3,500 EUR per sub-project.

Sub-measure 2:

The minimum grant amount per sub-project is 36,364 EUR, the maximum grant amount is 200,000 EUR.

Sub-measure 3:

The minimum grant amount per sub-project is 7,273 EUR, the maximum grant amount per sub-project is 36,364 EUR.

Duration of sub-projects

Maximum duration of sub-projects is 12 months; there is no minimum duration.
