CALL FOR APPLICATIONS

For eligible Higher Education Institutions, aiming to obtain funds for scholarships under the EEA Financial Mechanism in the academic year 2009-2010

Agentia Nationala pentru Programe Comunitare in Domeniul Educatiei si Formarii Profesionale (ANPCDEFP), as Intermediary for the implementation of the project: *“Funds for supporting international mobility programme for students and teachers”*, financed under the EEA Mechanism, launches the present **Call for applications, valid for the academic year 2009-2010.**

CONTEXT:

The Agreement of including Romania in EEA was signed in July 2007. Through the EEA Agreement, Norway, Iceland and Liechtenstein, countries that are not Member States of the European Union, participate at the Internal Common Market. Also, through this Agreement, the three countries offer to Romania 100 000 000 Euro for developing projects, under two financial mechanisms: the financial EEA mechanism and the Norwegian Cooperation programme. The two mechanisms are established for supporting the economic and social cohesion in Europe through economic growth and sustainable development.

Norway, Iceland and Liechtenstein offer 50.5 millions Euro to Romania through the EEA Financial Mechanism, out of which 47.5 millions Euro represent the contribution of Norway. The EEA financial mechanism operates under the same rules that were applicable for all the other countries beneficiaries of the Mechanism until now (all the new Member States of the European Union).

The Scholarships fund is part of this Mechanism and finances the project: *“Funds for supporting international mobility programme for students and teachers”*, which is the basis of the Call and it is managed by the ANPCDEFP.

The total budget of the project is **1 100 000 Euro, out of which 935 000 Euro come from the Financial EEA Mechanism and 135 000 Euro represent national contribution from the public budget.** The duration of the project is **09.02.2009-31.03.2011.**
