

State Agency “Investment and Development Agency of Latvia”
(LIAA)

Invite to submit sub-project applications for
programme of the Norwegian Financial Mechanism
“Promotion of Development of Public and Private Partnership
in Latvia”

The overall objective of the Programme is to introduce alternative ways (Public and Private Partnership - PPP) of financing, construction and operation of public infrastructure in order to improve access, quality and efficiency of public services both at the national and regional level in Latvia.

Eligible activities of Programme are:

- creating feasibility studies for the establishment of PPP;
- establishing procurement documents for the PPP;
- providing training for the staff of the end-recipient and for its partner(s).

Eligible applicants shall be public authorities according to the Law on Order of Public Administration of the Republic of Latvia, such as central government institutions (ministries) and municipalities (regional and local).

The total amount available for open call for sub-projects is EUR 1 940 135. Grants from the Fund will not exceed 90 percent of the total eligible sub-project costs.

Applications shall be submitted personally, or sent by post to LIAA, 2 Perses Street, Riga, LV-1442, or electronically version to nfi.projekts@liaa.gov.lv from 14 August 2008 until close of business 17:00 o'clock on 14 November 2008.

Regulations and application forms of open call are available on website www.liaa.gov.lv under „ES strukturfondi”.
